About REDmoney

<http://redmoneygroup.com/>

REDmoney Group is the foremost global provider of specialized Islamic financial media services across three core divisions of events, publishing and training.

Established in 2004, the firm has offices in Dubai and Kuala Lumpur: offering an unrivalled multi-channel service across the full spectrum of the global financial markets. The outward-facing arms of the REDmoney publishing and events portfolio

PRESS RELEASE

are supported by REDmoney Training, which provides access to industry-leading expertise from the best in the field.

REDmoney Group covers the full range of global markets: from emerging Islamic economies across Africa and Asia to industry leaders such as Malaysia and the GCC along with developed nations in Europe and the Americas seeking to enter the sector. The company offers unequalled access to the elite of the industry: with relationships built up over a decade of trusted communication with market leaders to provide a detailed network covering every aspect of Islamic financial services.

About Islamic Finance News

<https://www.islamicfinancenews.com/>

Islamic Finance news (IFN) is the company's principal publication. IFN is a digital, subscription-based publication available online and through smartphone and tablet applications. Published weekly, the journal provides exclusive and comprehensive coverage of the global Islamic financial markets through in-house analysis and expert external contributions; in addition to a daily news service, additional quarterly supplements and a variety of special annual issues.

Differentiated by a decade of trusted relationships across the industry, IFN is able to leverage an unrivalled network of contacts and connections to provide unparalleled insight into the issues affecting global Shariah compliant markets: along with in-house analysis, news, interviews, reports, industry and sector data, and much more.

With an archived website containing over 60,000 exclusive reports, the IFN portfolio also hosts a suite of proprietary tools including the industry's largest interactive terminology glossary, a directory of over 4,000 global Islamic financial institutions and a portal to Islamic Banking Intelligence, the most comprehensive source of segmented Islamic banking financial data.
